Peer assessment & students feedback

Welcome to Student Mentoring Management System

Total Student

Category A

Category B

Category C

Mentoring Monitoring System (MmS)

It's a highly structured Counseling or advising is a dynamic system where both the advisor and advisee (student) maintain a respectful yet communicative and supportive relationship between themselves.

Dropout Solution

It's an AI based solution to analyze the student's movement and calculate possibilities of their drop out ratio with reason so that teachers can identify possible dropout students and counsel them to continue their study smoothly.

DROPOUT IN SmartEDU

Click this URL <http://pd.daffodiluniversity.edu.bd/web> this will redirect you to the login page. After you login above mentioned page will open. You will see all the module you have permission to use. If you have permission to use dropout student module you will see red marked icon as mentioned above. Click on it you will be redirected to the dropout dashboard page

Initiatives for Students

Low Cost Internet Package

Internationalization+
Ahead to Achieve SDGs

We started our focus to **Internationalization** and setting up an **Office of the International Affairs** in the University back in **2012**. Gradually we learned to walk on this path and are **still learning** to implement.....

The logo for Daffodil International University is positioned on the right side of the slide. It features the word "Daffodil" in a large, bold, white sans-serif font. Below it, the word "International" is written in a smaller, white, cursive script font. At the bottom of the logo, the word "University" is written in a large, bold, white sans-serif font, matching the style of "Daffodil". The background of the slide is a dark blue gradient with a white geometric pattern of interconnected lines and dots, resembling a network or a molecular structure.
