UoH IAH ACTION PLAN FOR THE YEAR 2023-27

Specific objective 1:To enhance Internationalisation Experience for UoH Students				
Nr.	Activities	Implementation period	Responsible	Expected results/ measurable indicators
1.	To set up Friends Tea House as a major location to enhance inter-cultural learning and promoting the notions on diversity among all sections of the students (Indian and Foreign nationals)	2023	HARMONY Project Team	Number of students involved in TEA House activities
2.	To conduct programmes/Events under Tea House on various events by students on national /international events, issues, flag days and so on	2023	Students members in Charge of Tea House (initially the students who attend the Boot camp as main volunteers) and HARMONY Project Team	Increased awareness about inter-cultural experiences, ethos. Number of activities can be a measurable indicator
3.	To increase the intake of International students (Masters and Integrated) intake (apart from helping University receive global status)	2023-27	OIA*, University Admission Department (Controller of Examinations)	Increased intake of Students to bring about better internationalisation of classrooms and campus

| 4. | More intake of PhD scholars from other countries | 2023-27 | OIA, University Admission Department (Controller of Examinations) | Increased intake of Ph.D scholars to bring in their research experiences into UoH academic system |

Specific objective 2:Internationalise campus with online teaching and learning (Virtual)				
Nr.	**Activities**	**Implementation period**	**Responsible**	**Expected results/ measurable indicators**
1.	Collaborative Online International Learning (COIL)	2023-27	All Academic Units, CDVL* and CDLTR*	Increased number of Online lectures, Conferences
2.	Encourage students to undertake online courses, offered by foreign Universities/Institutes (OER*, MOOCs* and so on)	2023-27	All Academic Units	Increased exposure for Students to such courses and programmes
Specific objective 3: Internationalise campus with international syllabus and curricula				
Nr.	**Activities**	**Implementation period**	**Responsible**	**Expected results/ measurable indicators**
1.	Focus on curriculum design with employability skills as practiced in top Educational Institutions	2023-27	All Academic Units	This is an ongoing activity under National Education Policy (NEP) 2020 in India and UoH follows same trajectory
2.	Develop and restructure Courses at UoH with ESG Concerns (Environmental, Social and Governance)	2023-27	All Academic Units	UoH already have already started such initiatives under Outcome Based Education (OBE) framework for teaching courses. The target is to bring in all the teaching courses under OBE (an NEP recommendation). This restructuring as per NEP 2020 includes focus on environmental issues and other societal concerns such as gender equity.

*OIA – Office of International Affairs

CDVL –Centre for Distance and Virtual Learning

CDLTR – Centre for Digital Learning ,Training and Resources
