PROGRAM

Science, Technology and International Affairs Department, QBU organized a successful training on International Credit Mobility and International Relations Management for the staff members under the Erasmus+ HARMONY project. The training took place at HARMONY lab, QBU Administration Building on August 30th, 2023.

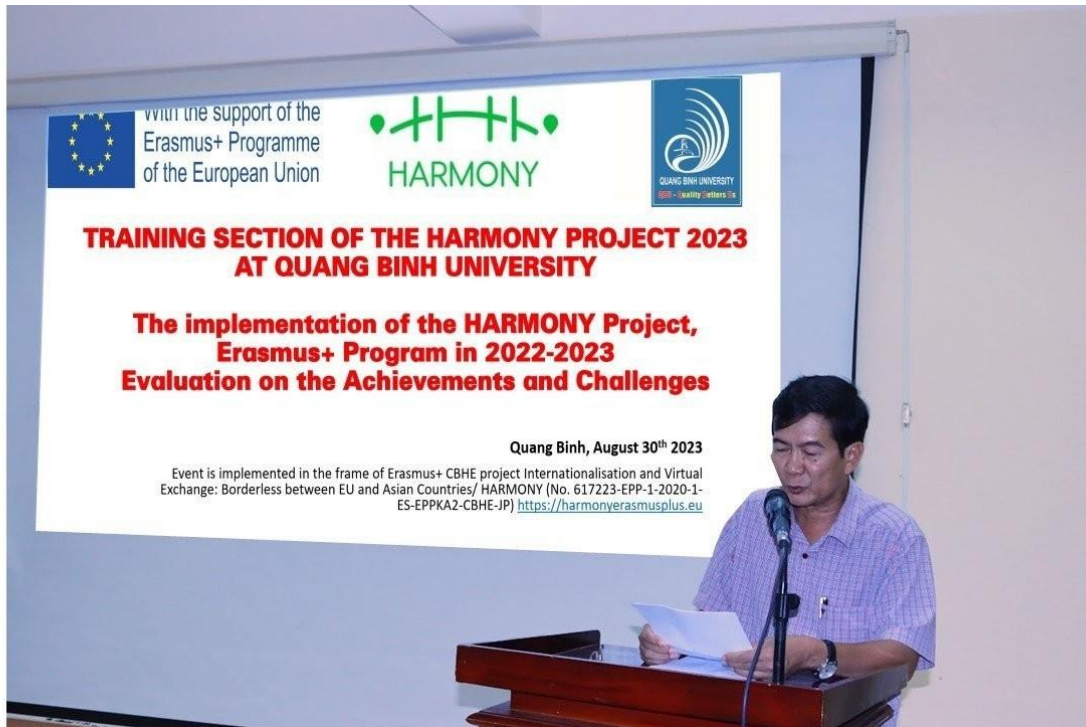

The training was expected to introduce QBU members the progress and effects of the Harmony projects, and to equip faculty and staff members with the necessary skills and knowledge required for successful international credit mobility and international relations management. The topics presented in the training includes the implemationatin of the Harmony project in the recent time consisting of the achievements and challenges, the introduction to the European Union's Erasmus+ program, some international student and faculty exchanges program that QBU should take into consideratios for action, international partnerships, and strategies for managing international relations.

Dr. Vo Khac Son the Rector of QBU delivered the welcome speech of the training session and expressed the significance of Internationalization at QBU in the long run developments and stability. He also expected the contribution of the staff in terms of developing the professional skills in international partnerships and exchanges. Each staff of IRO will play a key role in improving and expanding the international collaboration.

The training was facilitated by QBU's Heads of Departments including Dr. Nguyen Dinh Hung, Dean of Science, Technology and International Affairs Department; Dr. Pham Xuan Hau, Dean of Personnel-Administration Division; Dr. Vo Thi Dung, Dean of Foreign Languages Faculty and more than 25 lecturers and staff from Science, Technology and International Affairs Department, Science, Technology and International Affairs Department and Foreign Languages Faculty.

Dr. Nguyen Dinh Hung shared his knowledge and experience regarding international credit mobility. Dr. Phạm Xuân Hậu shared the experience of internationalization in research. Dr Vo Thi Dung presented about international relations office and its alignment with the internationalization at home concept and practical activities with the participants.

A total of 22 participants from QBU admin staff, admission office, registrar office and HR office joined this training; particularly there were the attendance of Lao Students who are currently studying at QBU. The training sessions were interactive and engaging, allowing participants to ask questions and share their own experiences. The success of this training is a testament to QBU's commitment to providing its staff members with the necessary skills and knowledge required to excel in their respective roles in the process of promoting internationalization at home.

Event is implemented in the frame of Erasmus+ CBHE project Internationalisation and Virtual Exchange: Borderless between EU and Asian Countries/HARMONY (No. 617223-EPP-1-2020-1-ES-EPPKA2-CBHE-JP) <https://harmonyerasmusplus.eu>
