

Quang Binh University held the workshop of Internationalisation research at Quang Binh University on July 20th 2023.

During the implementation of HARMONY projects, Quang Binh University has taken part in many activities and tasks that have improved the quality of the QBU Internationalisation.

One aspect of Internationalisation that has been discussed and performed in the projects is the Internationalisation at Home. As one member and a partner of the HARMONY, QBU managers are aware of the significance to develop the Internationalisation at Home strategies and put it into the IoHE Action plan.

During the workshop, staff and lecturers of QBU presented about the orientation and plan to develop QBU internationalization at home strategies.

Attending the workshop, there were Dr. Vo Khac Son the Vice Rector of QBU, lecturers and staff of Science, Technology and International Affairs Department.
